Classroom Educator Course

The Orton-Gillingham Classroom Educator coursework provides the participant with skills and the principles of the Orton-Gillingham Approach to provide and modify literacy instruction in the classroom or small groups
(Tier 1 and 2).

This is a 30 hour course taught in five live six hour sessions.

Topics Covered:

- The Rational of the Orton-Gillingham Approach
- The Science of Reading
- How the Brain Learns to Read
- The Alphabetic Principle
- Grapheme - Phoneme Correspondences
- Syllable Types and Syllable Division
- Spelling Generalizations
- Creating OG Lesson Plans
- The Essential Elements of the OG Approach
- Informal Assessments

All coursework and practicum follow the curriculum set forth by the Orton Gillingham Academy.

Classroom Educator Practicum

The course registration includes the practicum. The supervised practicum is a minimum of 50 hours over an eight month period with five Fellow observations. The practicum is required for the Classroom Educator level.
